

How to find us:

We are located in Sofia's CBD on Maria Luiza Boulevard, across the road from Tzum Shopping Centre and the Sheraton Hotel.

Taxi from airport:

- Taxis are located outside the airport terminal and it is about a 20 minute drive to central Sofia and our offices.

Driving from the airport:

- Follow the only dual carriage way from the airport for about five minutes, take the first left which turns onto Tzar Gradsko Shosse, which is a three lane motorway and will take you directly into the centre of Sofia. Keep going straight down the yellow cobbled stone road and when you reach the end turn right onto Maria Luiza Boulevard. Parking is located next door.
